Dear Praying Friends and Faithful Supporters,

We are privileged to be able to write this newsletter from Romania! We returned to Romania last month after an eight month furlough and have hit the ground running. We find ourselves busy with so much to do and little time to do it. We cannot thank you all enough for all your prayers and help this past furlough. We returned to Romania feeling refreshed and encouraged. Thank you. It is such an honor to be your missionaries to the country of Romania.

The ministry is going very well. It was so refreshing to see the ministry grow even in our absence. We spent the last couple of days getting updated on all that the Lord had done here in Romania while we were in the States. It is a tremendous blessing when the fruit of the ministry reproduces itself! Our hearts are overwhelmed with gladness as we hear the nationals share their experiences in the ministry while they covered for us.

We covet your prayers as we seek to enlarge our ministry here for the glory of our Lord and Saviour. We have begun to raise funds to plant our fourth church. We have taken on a huge undertaking and appreciate your prayers as we seek the Lord's leading in this exciting endeavor. Enclosed with this newsletter you will find more information about this project. Your prayers are greatly appreciated.

We will be purchasing visas for the family soon. Please pray as we attempt to cut through all the red tape to receive our annual visas for Romania. We have learned that the price of each visa has over doubled since last year!

On the family side, our little one is due to arrive next month! This makes number six for us. I guess it is not only the ministry that we are expanding! God truly has blessed us with good healthy children. Please keep Robin and the baby-to-come in your prayers. We will post pictures to our website as soon as he arrives.

Thank you again for all your prayers and support!

Your Servants For Jesus' Sake,

# Help Us Plant a Church

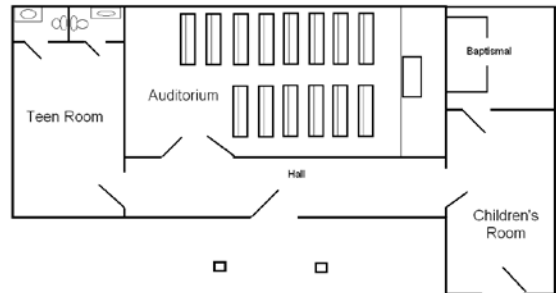

Dear Praying Friends and Faithful Supporters,

With great joy we are thrilled to announce that we have officially begun to raise funds for the First Independent Baptist Church of Barsanesti. We have prayed about this for some time now and feel that the Lord is leading us to plant an Independent, Bible Believing, Baptist Church in the village of Barsanesti. In the past we have been transporting several families from this village into the city of Onesti for church services, but our van is only a nine passenger vehicle and thus we are limited to the number of people that can travel with us to the city for church. We have been able to squeeze 21 people into the van for church, but still more would come if they had a way to get there. However,

now that we are back in Romania we've learned that the government has begun enforcing passenger laws. This limits us to 9 people in the van. Please pray about this situation with us. We do not want to turn anyone away, but we are limited to the number of seats in our van. By planting a church in this village it will allow so many more to come, open up the seating in our van for those in the city to get to church, and leave more room in the city church for those who live in Onesti.

The building has been for sale for some time now and I have spoken with the owner and told him we knew that God was going to give it to us somehow. We are looking to raise \$35,000.00 to purchase the building and another \$15,000.00 to re-model and furnish it. We know that this is a lot of money and that we are in a economic crisis, but God is able! We ask that you pray about this with us and do as the Lord leads. This truly is an enormous task, but we serve a great God.

If the Lord leads you to donate this fund, please mail it to our mission board and mark it as **Romanian Building Fund**. You may visit our website and keep track of this endeavor as well as browse through some pictures, view current funds raised to date, and find more information about the planting of this church.
